Lawn, Garden and Farm Catalog

Montgomery Ward [catalogue].

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Organic Gardening and Farming

Catalog of Sears, Roebuck and Company

This book tells the stories of five private schools begun in the Northeastern US during the 1960s by idealistic believers in educational freedom. Two of the schools have closed; the other three are still open and flourishing. Although the schools are different, they share a belief in the individuality of each child and his/her unlimited potential. Their stories are still relevant today.

Small Gas Engine Repair

Popular Science

It's 1972 and Jake Savage, Butch Beaver and Ronnie Humper were Astronauts known as the Savage Beaver Humper team. They completely goofed their Uranus Moon landing giving Richard Head the satisfaction of kicking them out of the space program. Here comes 2007 and a massive Asteroid comprised of collided space junk suddenly threatened Earth. President Barnaby insists that the Savage Beaver Humper team go on this historic mission to save Earth. Richard strongly objects and schemes to get them kicked out of the program again. He fails and Jake, Butch, and Ronnie are launched into space to save Earth. But they find way to goof things up again and almost fail with this historic mission if it wasn't for a friendly Alien that joined their team.

Field & Stream

Kiplinger's Personal Finance

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: Technology is better, and science and technology are the driving forces that will help make it better.
