Modell, von dem man sich distanzieren sollte oder will, manchmal scheint es eine Vision, die man anstrebt, und andere sehen diese Vision lediglich in Ermangelung von Alternativen. Der Sammelband beschäftigt sich genau mit diesen Visionen in drei Kapiteln:

*Page 43/183*

"Überlegungen zu den gegenwärtigen Staaten", "Europäische Einheit" und "Überlegungen zu einer gemeinsamen politischen Vision des heutigen Europas"

A revealing look at austerity measures that succeed—and those that don't Fiscal

austerity is hugely controversial. Opponents argue that it can trigger downward growth spirals and become self-defeating. Supporters argue that budget deficits have to be tackled aggressively at all times and at all costs. Bringing needed clarity to one of

*Page 45/183*

*coloni-dell-austerita-franca-neoliberalismo-e-migrazioni-di-ma*

today's most challenging economic issues, three leading policy experts cut through the political noise to demonstrate that there is not one type of austerity but many. Austerity assesses the relative effectiveness of tax increases and spending cuts at

reducing debt, shows that austerity is not necessarily the kiss of death for political careers as is often believed, and charts a sensible approach based on data analysis rather than ideology. I hear a deep voice through uneasy dreaming, A deep, soft, tender, soul-

*Page 47/183*

*coloni-dell-austerità-franca-neoliberalismo-e-migrazioni-di-ma*

beguiling voice;A lulling voice that  
bids the dreams remain,That calms my  
restlessness and dulls my pain,That

earth—no choice."Home!" says the deep  
voice, "Home!" and softly

What is fascism and what is populism?

*Page 49/183*

*coloni-dell-austerità-franca-neoliberismo-e-migrazioni-di-ma*

What are their connections in history and theory, and how should we address their significant differences? What does it mean when pundits call Donald Trump a fascist, or label as populist politicians who span left and right such as Hugo Chávez, Juan Perón, Rodrigo

*Page 50/183*

*coloni-dell-austerità-franca-neoliberalismo-e-migrazioni-di-ma*

Duterte, and Marine Le Pen? Federico Finchelstein, one of the leading scholars of fascist and populist ideologies, synthesizes their history in order to answer these questions and offer a thoughtful perspective on how we might apply the concepts today.

*Page 51/183*

*coloni-dell-austerità-franca-neoliberismo-e-migrazioni-di-ma*

While they belong to the same history and are often conflated, fascism and populism actually represent distinct political trajectories. Drawing on an expansive record of transnational fascism and postwar populist movements, Finchelstein gives us

*Page 52/183*

insightful new ways to think about the state of democracy and political culture on a global scale. This new edition includes an updated preface that brings the book up to date, midway through the Trump presidency and the election of Jair Bolsonaro in Brazil.
