Book Review : [Daytripper] by Fábio Moon + Gabriel Bá ...

Daytripper presents many Brazilian influences regarding language, literature and culture. The most predominant influence in the book is the main character's first name. The name "Bras" can be seen as a reference to the country Brazil, where Daytripper 's creators were born, since this name is composed of the first four letters of the country written in Portuguese, "Brasil".

This review is long overdue, but I had trouble finding the words to describe the experience of reading Daytripper, a comic book by twin brothers Fábio Moon and Gabriel Bá. Daytripper originally ...

It's very important to place importance upon these deaths and look for the life and meaning behind each of them. There are no gag demises in Daytripper, this isn't a Kenny McCormick set up. Watching Bras dies makes me think more of the deaths of Tyler Durden, Rorschach, or even obi-Wan Kenobi.

Daytripper Quotes by Fábio Moon - Goodreads

Daytripper is the rarest of graphic novels—a work meeting all the expectations of great literature that somehow emerged from the grinding gears of the American mainstream comics industry.

Written and drawn by Brazilian twins Fábio Moon and Gabriel Bá (see WLT , March 2007), Daytripper is organized around the life of an aspiring writer named Brás de Olivia Domingos, whose father is a ...
