The Agile way also is all about reflection and making sure that you are producing some sort of results in your days, weeks, months, and years. The system takes the idea that projects and tasks are always changing, and because of that it is important to make sure that your plans of action are still valid and still producing results.

The essence of Agile  
Results, if I had to boil it  
down, is basically that you  
need to be able to have  
habits that you can  
continually rely on, to  
adjust and process what's

important, across the many areas and timescales of life.
