

Leading With Emotional Intelligence Hands On Strategies For Building Confident And Collaborative Star Performers

Why Emotional Intelligence and Leadership Go Hand-in-Hand

...

Emotional intelligence is at the core of being able to make these behavioral shifts and ultimately helping you attain all those adjectives describing stellar leadership.

Research shows that EI accounts for nearly 90% of what sets high performers apart from others with similar technical skills and knowledge.

and collaborative star performers. [Reldan S Nadler]

Leading With Emotional Intelligence Hands

The focus is clearly on emotional intelligence, but the success of any organization or individual leader is 90% attributable to emotional intelligence and 10% related to IQ (facts and figures). So understanding that organizations exist simply because we can't agree gives serious cause to the importance of relationships and the relating to people - even those with whom you don't agree.
