MSM Miracle - Peter Smanjak

MSM is known to dissolve in many organic and inorganic compounds. 1 Bound to the mucosa and split into an electron deficient group CH 3 SO 2 , MSM reacts with toxins, affects inactivation and speeds excretion. 4 Furthermore, MSM enhances the permeability of cell membranes, making it easier for nutrients to be taken up by the cells, and waste products to be eliminated. Practically speaking, MSM drastically increases the ability of cells to excrete toxic waste products.

MSM can be purchased in powder form or in supplement capsules. For best results using the MSM powder, added it to your water along with a botanical source of vitamin C like Camu Camu Berry or lemon juice. Most MSM supplements contain synthetic byproducts, but you can find an organic, 100% naturally derived MSM right here: OptiMSM Flakes. Start with one teaspoon of MSM powder in 16 ounces of water, and gradually work your way up to 2 to 3 tablespoons per day to see some really impressive results.
